AC 158

CERTIFICATE OF CONFORMITY OF THE FACTORY PRODUCTION CONTROL 2310-CPR-Z1068

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

Precast concrete products Wall elements

Marking CE by method 3.

Prefabricated walls, made of normal weight or lightweight concrete with dense structure. They may have external wall functions or not, have facing functions or not or have a combination of these functions. External wall functions could be: thermal insulation, sound insulation, hygrometric control or a combination of these. They may be plain, reinforced or prestressed. They may be loadbearing or not. These include: solid walls, composite walls, sandwich walls, lightened walls, claddings. The wall element may also work as a column or beam.

Marketed under the name or trademark of the manufacturer:

HM FACTORY Sp. z o.o.
ul. Solec 22, 00-410 Warszawa

and produced in the factory:

HM FACTORY Sp. z o.o.
ul. Inżynierska 32, 96-502 Sochaczew

This certificate confirms that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard:

EN 14992:2007+A1:2012

In system 2+ are implemented and

factory production control complies with applicable requirements

This certificate replaces the certificate issued 03.09.2018 and remains valid until a harmonized standard, methods of assessment and verification of constancy of performance, product and the conditions of its production will not be significantly changed and provided that it is not suspended or revoked by the notified body which certifies factory production control.
